SPECIAL REPORT of the Selectmen

We wish to call attention to the taxpayers that our cash balance shows $7,086.61 which is less than in former years due principally to the fact that the following bills (due in 1926) were NOT PAID until this year AND that THIS YEAR'S BILLS FOR THESE SAME ITEMS are paid in full with the possible exception of about $200.00 due on Winter Highway Snow Bills.

Winter Highways	$1300 00
Red Cross Appropriation	450 00
Insurance	290 00
Town Forest Appropriation	63 00
	$2103 00

EVERY BILL that was presented was paid in full to the end of the fiscal year. We will be only too pleased to explain any item or items to any taxpayer which appear in our Town Report and is not clearly understood.

Our tax rate this year was the lowest in many years and the lowest of any Town in Carroll County.

Respectfully submitted,
RAYMOND A. WEEKS

GAFNEY LIBRARY

Report of Library from Feb. 1, 1927 to Feb. 1, 1928

With the close of January we complete our second year in the new Gafney Library. Owing to the nature of the work, the report bears a striking similarity to that made last year.

The Library has been open on Tuesdays, Thursdays and Saturdays, afternoon and evenings, and on Sunday afternoons during the winter season.

The attendance for the year has been 7125. The circulation by classes has been:

Fiction	3073
Juvenile	2632
Magazines	550
Non-fiction	340

making the total circulation 6595.

Our best month is always August. In August 1926 the attendance reached the high-water mark of 708, while in August 1927 the circulation was 789, the largest of any single month.

The number of books added during the past year has been 288, the number of borrowers 388. Of this number 131 are on out-of-town list.

We have been able to supply five stations with books regularly. The South Wakefield Station has been longest on our list. The books here have been exchanged 38 times.

Besides the supplies sent to regular stations, a collection of books and magazines was sent in October to the Carroll County Farm for the use of the people of this institution.

In June the Library was put on the list of libraries having books from the Carnegie Endowment Fund, a fund called the Carnegie Endowment for International Peace. The books supplied are very attractive in appearance and are suitable for the average reader.

Other organizations which have given books during the year are:

The Church Periodical Society.
The Newark Free Public Library
The Sanbornville Woman's Club

Individuals who have made special gifts of books are:

Mrs. S. Abbott, Mrs. L. S. Edwards
Miss Leigh Kendall, Mrs. Knox
Mrs. McDonald, Mr. and Mrs. Andrew Pierce
Richard Sanborn and Mrs. Winot

On Friday, October 21, there was a meeting of Library workers held in the Library. This was an all-day meeting. At the mornng session Mr. Robinson gave a most interesting sketch of our benefactor. Mr.

Charles B. Gafney. At the afternoon session the speakers were Miss Frances Hobart of the State Library Commission, Miss Ruth Kelley, and the Rev. Robert Dunn.

One interesting feature of the work has been the bulletins prepared for special occasions. These bulletins have been illustrated with colored pictures and postcards and have been supplemented by leaflets given from the desk. Those of most interest have been those on town history.

The librarian has been absent for an extended period during the winter season. Miss Marjorie Hatch has been able to carry on the work in the interval. Other assistants during the year have been Miss Olive Fogg, Miss Helena Hood, and Miss Elizabeth Tucker.

One of the books added during the year is "The History of Carroll County". This was left to us by the will of Mrs. Fanny Dorr.

Another of the year's presents is a picture of the late Judge Gafney. The picture is the gift of Mrs. Sleeper, Judge Gafney's sister, and the frame in which it is placed, was donated by Mr. William N. Rogers.

SUPERINTENDENT'S REPORT

To the School Board of Wakefield:

Gentlemen,—It is my privilege to submit to you, and through you to the citizens of the town, my ninth annual report as superintendent of the schools of Wakefield.

The following table contains the usual statistics relating to the schools.

STATISTICS FOR THE YEAR ENDING JUNE 30, 1927

School	Teacher	Total Number Enrolled	Average Membership	Average Attendance	Per Cent of Attendance	Number of Tardinesses
Union Primary	Lillian Davis	29	26.93	25.71	95.46	14

Sanbornville 1 and 2	Abbie F. Tuttle	41	38.76	37.88	97.73	23
Sanbornville 3 and 4	Flora P. Brackett	28	26.15	25.60	97.89	15
Sanbornville 5 and 6	Florence Thackleberry	31	25.53	24.73	96.86	8
Sanbornville 7 and 8	George A. Doe	21	21.00	20.80	99.50	1

	Totals and Averages	212	191.50	185.30	96.76	131

Our record of attendance shown by this table is not merely excellent but superior. It is not only 1.75 per cent above our high record of 95.01 per cent reported last year, but also 2.19 per cent above the average for the entire state.

It is not likely to be so good for our next report, as several schools have been badly broken up by illness during the late fall and early winter months.

The Roll of Honor which follows contains the names of those pupils who have not been absent nor tardy for one or more terms during the year. More than one-half of all our pupils are included in this list and more than one-fifth have perfect attendance for the entire year.

There is but one change in our corps of teachers this year. Miss Florence Thackleberry, who had served us faithfully and with marked success for six years, resigned during the past summer. Her place was filled by the election of Mrs. Callie M. Peters, a former teacher in this town, having taught in Union for two years in 1923 and 1924.

During the summer the Union building was thoroughly renovated both inside and out. A book closet was built in the Primary School at Sanbornville, utilizing what was previously waste space. The other buildings required only minor repairs. All buildings are now in good condition.

HEALTH WORK

Health work in the schools has been continued under the direction of Mrs. Agnes T. Weeks, R. N. Her report will follow.

During the last Christmas vacation several cases of scarlet fever appeared in Sanbornville, including some school children. I am aware that some parents were opposed to having the schools opened at the time scheduled by the school calendar.

For the benefit of these few individuals I will say

that the State Board of Health advises against the closing of schools because of a few cases of a contagious disease in the community.

Accordingly the schools were opened as usual. The pupils were closely watched by the school nurse and local health officer. Daily inspections were made for a week or more. The wisdom of this course is proven by the fact that only one case of scarlet fever developed among the pupils in the schools.

You may be sure that under modern conditions the health of the pupils will be carefully guarded and every precaution taken to prevent the spread of any contagious disease. You should remember, however, that there have been many changes in medical procedure in the past twenty-five years and that what was considered the proper thing to be done in 1900 may not be so considered today. We shall at all times act under the best advice provided by the State.

Respectfully submitted,
FRED W. DUDLEY
Superintendent of Schools.
